

# Hotel Information

## Denton, Texas

### MS/JH National Conference for Choral Music University of North Texas

- I. There are a variety of hotels in Denton, but three respectable hotels that sit in close proximity to each other are Best Western, Courtyard, and Hilton Garden Inn. Conference participants should be able to book a room for approximately \$84.00, which includes breakfast. Courtney Gibbs (Director of Sales at 940-387-1000) is helping to coordinate housing. See the web sites below for additional options.
  
- II. Within a SAFE walking distance of all three hotels is a Red Lobster, a Texas Roadhouse, Olive Garden, and an On The Border. Denton is a college town so of course there are a variety of fast food places, but having all four restaurants within safe walking of the hotels could make dinner an easy process.
